FYI only

MEMO 7667, 10 December 1959

1. In the spring of 1951, Heinrich SPOTT, who was also working for CIC, was retained by KUBARK, through one of its agents, as a special investigator. His assignment was to ascertain the current activities and associations of Kurt LOEWEL (), an ex-POW who had become an agent of the AIS. SPOTT was recommended for this assignment by his former Abwehr colleague, Heinz SCHWALSCHLAGER ().

2. SPOTT's connection with SCHWALSCHLAGER plus UPSWING's willingness to assume the financial responsibility for KUBARK upon confirmation of SPOTT's AIS employment, (possibly to avoid further investigation of the matter including interview of SPOTT) lead us to suspect that SPOTT is currently employed by UPSWING.

3. Attached is biographic data on SPOTT for file by addressees.
